

Make your hedgerows work for you

Join us for a unique opportunity to learn about hedge management and how it can benefit your farm and your finances

Arnside &
Silverdale
National
Landscape

This is a **free one-day workshop** for farmers and land managers to learn about how hedgerows can contribute to farm resilience and productivity. Delivered by Hedgerow Expert Megan Gimber and funded by the Farming in Protected Landscapes programme, the workshop will include:

- How to apply for hedgerow funding
- Free hot lunch
- How to manage your hedges
- A hedge walk within the Arnside and Silverdale National Landscape

Date: Thursday 19th February 2026

Time: 9.45am - 2.45pm

Location: Storth Village Hall, Storth Rd, Milnthorpe LA7 7PH

Booking now open
